STRAWBERRY FESTIVAL.-This eptertainment, which was given in the Town Hall Wednesday evening of this week, for the benefit of the Sabbath School of the South Parish, was one of unalloyed enjoyment, especially to the youthful participants. You have heard of the man who was so stings that he put green gogsles on his horse, to taske an eat shavings steeped in hay tea. The same man suffered many years from bilious and dyspeptic troubles in their endless variety, and was cured by the use of the Hartshorn's daundice or Dyspeptic Bitters, which relieve such numbers. Carrying back the bottle two-thirds full of hay tea, he demanded his anoney back, saying "he should have got well if he had not taken them, and besides his horse had died." The cathartics used and approved of by the Physicians comprising the various Medical Asso-ciations of this State, are now compounded and sold under the name of "Parsons' Purgative Pills."

Business Notices.

Dr. Wistar's Balsom Wild Cherry. In the whole history of medical discoveries no REMEDY has performed so many or such remarsable cures of the numerous affections of the THROAT, LUNGS, and CHEST, as this long-tried and justly celebrated Balsam.

So generally acknowledged is the su perior excellence of this remedy that but few of the many who have tested its virtues by experience fail to keep it at hand as a speedy and certain cure for sudden attacks of *Uold*—fully believing that its remedial powers are comprehen-sive enough to embrace every form of disease, from the slightest cold to the most dangerous UNSOLICITED TESTIMONY.

UNSOLICITED TESTIMONY.

From Rev. Francis Lordell, Pastor of the South Congregational Church, Bridgeport, Conn.
"I consider it a duty which I owe to suffering humanity to bear testimony to the virtues of Br. Wistar's Balsam or Willo Cherry. I have used it—when I have had occasion for any remedy for Coughs, Colds or Sore Throat—for many years, and never in a single instance has it failed to relieve and cure me. I have frequently been very hoarse on Saturday, and looked forward to the delievey of two sermons on the following day with sad misgivings, but by a liberal use of the Balsam my hoarseness has invariably been removed, and I have preached without difficulty.

I commend it to my brethren in the ministry, and to public speakers generally, as a certain remedy for the bronchial troubles to which we are peculiarly exposed."
